Dear Harold,

The enclosed tape is of an interview with Robert Morrow & Mark Lane. KDKA had them on to discuss today's announcement that the JFK & King assassinations would in all probability be reopened. I thought you might be interested in it, at least for the purpose of preserving it.

Good news! I finally got a job. It's only temporary, but it may lead to a permanent position. I started today in the litigation resources section of Westinghouse's law dept. Westinghouse is involved in a breach of contract suit & my job is to review & index documents. The job is only scheduled to run until January, but at least I've got my foot in the door.

I've been meaning to call to let you know that my weekends are free, so if there's anything I can help you with, let me know.
Hi to Lil.

Best,
Karen
